Case No. DV25-01799
Dept. No. DM2

vs

MEGAN MCCAFFERTY
Defendant/Respondent / Joint Petitioner

REPLY TO OPPOSITION TO MOTION FOR TEMPORARY CUSTODY

COMES NOW, Plaintiff, **DONOVAN CLARK**, and hereby submits this Reply to the Defendant's Opposition. The Defendant's filing relies on demonstrably false statements made under penalty of perjury. I submit the following impeachment evidence to refute her claims.

I. PERJURY REGARDING RELIGIOUS IDENTITY (THE "HANUKKAH" FRAUD)

In her Opposition, the Defendant swears: "**Im not Jewish**" (Opp. Pg 4, Ln 24). This is a material falsehood.

The Truth: For over a decade, the Defendant insisted our family observe strict Jewish traditions and presented herself as an observant Jewish woman.

- **Exhibit 1 (The Liturgical Shrine):** Time-stamped photos from **December 5, 2015**, show the Defendant maintaining a religious display in our home featuring **seven Menorahs** and Hebrew-embroidered coverings.
- **Exhibit 2 (Indoctrination):** Photos from **December 7, 2015**, show the Defendant instructing our minor child to light the Menorah, teaching them this was their heritage.
- **Exhibit 3 (Religious Decor):** Photos show handmade **Star of David** artwork displayed prominently in the marital residence.
- **Exhibit 4 (Daily Religious Dress):** Photos confirm the Defendant routinely wore a **Tichel** (a traditional Jewish head covering for married women). The Defendant

referred to these coverings explicitly as "Tichels" and wore them daily. She frequently claimed fear of "anti-Semitic racism" or public attacks based on this identity, using performative victimhood to control family movements.

Conclusion: The Defendant cannot claim to be "not Jewish" today while having enforced a Jewish identity upon our family for ten years. This proves she **fabricates her reality and identity** to suit her immediate legal needs.

II. PERJURY REGARDING SAFETY (THE "HIGHWAY" HYPOCRISY)

The Defendant argues that "**Unsupervised Visitation is not safe**" and claims Pyramid Highway is too dangerous for the kids to walk to Petsmart as the custody exchange.

The Truth: The Defendant's "safety" concern is a tactical fabrication.

- **The Geographic Impossibility:** As shown in **Exhibit 5**, the marital residence (Oasis Mobile Estates) has only **one pedestrian exit**, which leads directly onto this highway. To leave the home for *any* reason, the children must traverse this route.
- **The "Errand" Text (Exhibit 6):** On October 7th 1:38pm, the minor child (Evakay) texted me stating she was walking this route to "get mom from work" (Five Below) and go to Pet Smart. The Defendant **routinely dispatches the minor child** to walk this "dangerous" highway for her own convenience.
- **The "Inverted Risk" Timeline:**
 - **2020-2023 (No Sidewalks):** The Defendant walked this route daily with the children when it was objectively dangerous. We didn't have a car and walked everywhere for years.
 - **2024-Present (New Sidewalks):** The City installed protected sidewalks. Now that it is safe, the Defendant claims it is "too dangerous" for visitation. Yet she lets them ride their electric bikes down these very same sidewalks.

Conclusion: The Defendant accepts high risk for her convenience but rejects low risk for my rights. This proves her "safety concerns" are bad-faith gatekeeping.

III. EVIDENCE OF MALICIOUS FABRICATION (THE "BABY KILLER" PRECEDENT)

The Defendant's current allegations against me follow a specific, documented script she utilizes to destroy fathers.

The "Baby Killer" Fabrication: In Aug 2011, the Defendant told friends, family, and myself that her ex-partner, Justin Baldes biological father of Evakay, "killed" her unborn child by kicking her down a set of stairs. She used this narrative and stalking and harassment to convince me to move out of state for hers and Eva's protection isolating not only Evakay from her father but myself as well.

The Truth (Exhibit 12): Medical records and admissions confirm she miscarried at approximately **17 weeks** due to natural causes. There was no homicide. Yet, she used this lie to paint a father as a monster.

The Current Parallel: She is now deploying the exact same tactic against me. She has fabricated a narrative of "danger" (Methamphetamine Use) that is contradicted by objective reality (**Exhibit 7: 31 Negative VA Drug Tests**) just as she fabricated the narrative against Mr. Baldes.

IV. EVIDENCE OF CALCULATED DECEPTION (THE "HIDDEN" PROFILE)

The Defendant maintains secret digital identities to facilitate deception.

- **Exhibit 8 (The "Maggie" Profile):** In 2016, I discovered her hidden Facebook profile under the alias "**Maggie Mccafferty**". On this profile, she:
 - Fabricated life events, claiming she "**Bought a House**" in 2013, despite the fact that I am the sole purchaser (2014).
 - Listed her status as "**Married**" in 2016, a time when she was legally married to Jeremy Zlomke aka (Quentin Zlomke) but cohabitating with a third party.
 - Falsely claimed to be a "**Teacher at Washoe County School District**" despite lacking a GED.

Spoliation: Upon discovery, she deleted this profile, demonstrating consciousness of guilt.

V. PERJURY REGARDING CPS FINDINGS

The Defendant claims: "**Cps has already evaluated me and determined I am a Safe parent... they have No Concerns**" (Opp. Pg 5).

The Truth: This is a lie.

- **Exhibit 9 (CPS Report):** Official records from Case JV24-00105 explicitly state: "**Megan's truthfulness often comes into question**" and note she meets criteria for a "**diagnosis related to her alleged lying**". CPS did not "clear" her; they flagged her credibility as a major risk factor.

VI. PERJURY REGARDING FINANCIAL SUPPORT

The Defendant claims: "**I have Supported the children For years on my income**" (Opp. Pg 4, Ln 17). This is a fabrication.

The Truth:

- **Exhibit 10 (Tax Records):** Attached tax documents confirm the Defendant's income was minimal or non-existent during the period she claims to have "supported" the family. I have been the primary financial provider.
- **In-Kind Support Admission:** In her Opposition, the Defendant requests to be "**added to the lease**", explicitly admitting she has no legal standing on the property and relies on me for housing.

VII. JUDICIAL HISTORY OF FABRICATED ALLEGATIONS

The Defendant attempts to re-litigate a narrative already judicially rejected.

- **Exhibit 11 (2016 Orders):** In Cases TPO16-01555 & TPO16-01795, the Court **DISSOLVED** and **DISMISSED** her prior protection orders, finding "inconsistencies" in her testimony and no domestic violence. She is repeating a failed script.

CONCLUSION

The Defendant has lied about her Religion, her Safety Concerns, her Employment, her Finances, and her CPS History in a single filing. I respectfully request the Court **GRANT** my Motion for Custody, **DENY** her request to restrict my visitation based on fabricated dangers, and **STRIKE** her perjured Opposition from the record.
