Donovan,

We will need to reschedule once transportation and scheduling allow. The girls do not want to cancel their plans, and they do not feel comfortable meeting in a parking lot unsupervised. I confirmed this with them.

This delay is not an attempt to withhold the children; it is solely due to financial and logistical limitations. I will notify you when a new date can be arranged.

Megan,

It has been 5 days since you canceled my scheduled visitation on November 30th due to transportation/financial issues. You stated you would notify me when a new date could be arranged.

I have not heard back, and it is important that I see the children before our hearing next week.

I am proposing we reschedule for **this Saturday, December 7th, or Sunday, December 8th, from 1:00 PM to 5:00 PM.**

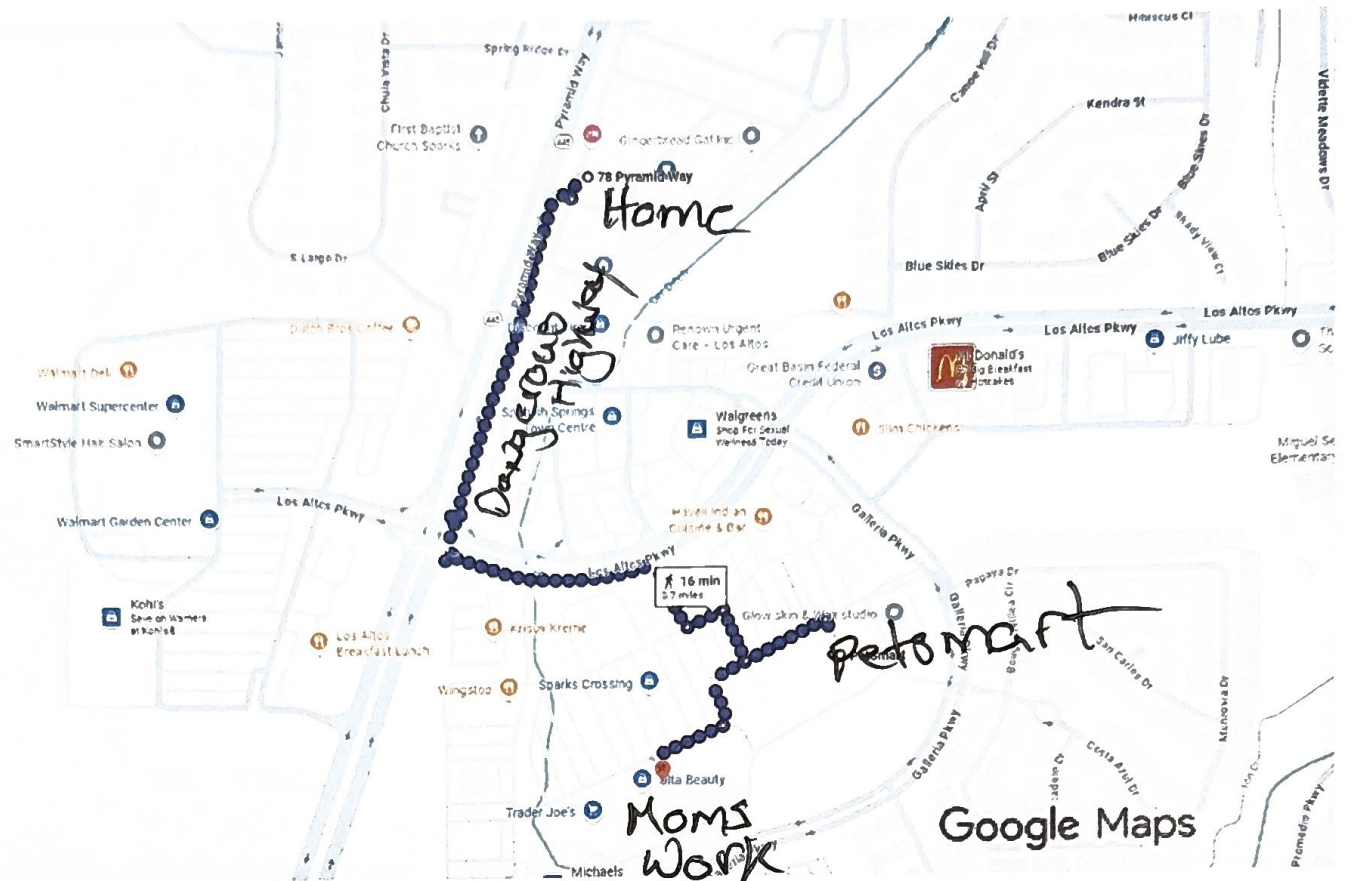

To solve the transportation issue you mentioned:

1. I will be at the **PetSmart parking lot** (within walking distance).
2. The children can walk over to meet me, just as they do for their normal errands.
3. You do not need to drive, spend money on gas, or be involved in the exchange.

Please let me know by **Friday at 5:00 PM** which day works best for you so I can plan accordingly.
