CFR Detail:

Question: Is the home environment consistent enough to allow safety services in accordance with the safety plan, and for people participating in the safety plan to be in the home safely without disruption (e.g. reasonable schedules, routine, structure, general predictability of family functioning)?

Caregiver: MCCAFFERTY, MEGAN, D. - 2141690

CFR Statement: There is not violence occurring in the home. The home environment is calm and predictable, and Ms. McCafferty is not engaged in any violent or controlling relationships with others that would place her or the children at risk of harm. There is no drug use occurring in the home. Ms. McCafferty places her children's safety as her top priority and takes appropriate and protective action anytime this is jeopardized. Ms. McCafferty has a parent/child relationship with her children and does not rely on them to meet her own emotional needs or as an outlet for stressors in her life. Ms. McCafferty has a set routine and structure in the home that allows her to meet the needs of the children, and allows the agency to have a solid understanding of their day to day functioning.

Question: Are the primary caregivers cooperative with CPS; and willing to participate in the development of the in-home safety plan?

Caregiver: MCCAFFERTY, MEGAN, D. - 2141690

CFR Statement: Ms. McCafferty is open, honest and transparent with the agency about every thing that is occurring in the home. Ms. McCafferty is honest about her relationship with Mr. Clark. She does not coach the children. Ms. McCafferty will permit HSA access to the home anytime it is reasonably requested and/or needed to ensure the safety of the children. The agency has complete confidence that Ms. McCafferty will cooperate on a long-term basis such that an in-home safety plan can be implemented.

Question: Are the primary caregivers willing to allow safety services and actions to be provided in accordance with the safety plan?

Caregiver: MCCAFFERTY, MEGAN, D. - 2141690

CFR Statement: Ms. McCafferty demonstrates honest engagement with the agency and understands the safety threats in the home. She does not present with any aggression or hostility toward HSA when discussing safety threats. The children are not coached or pressured against making statements or disclosures to the agency. Ms. McCafferty is willing to allow safety services and other actions to be provided in accordance with a safety plan.

Question: Are there sufficient resources within the family or community to perform the safety services necessary to manage the identified impending danger threats?

Caregiver: MCCAFFERTY, MEGAN, D. - 2141690

CFR Statement: There are sufficient and suitable safety services available daily to ensure the home is structured and not chaotic, that there is no domestic violence or drug use occurring. Ms. McCafferty will need to utilize WCHSA safety services to manage the identified impending danger threats.

Question: Is the home environment consistent enough to allow safety services in accordance with the safety plan, and for people participating in the safety plan to be in the home safely without disruption (e.g. reasonable schedules, routine, structure, general predictability of family functioning)?

Caregiver: CLARK, DONOVAN, D. - 2141693
