Dear Jennie,

I just had a Couples session with Megan and Donovan. They seem to be doing well together. I believe they are ready to have the kids come home. I think when this family is reunited, we can continue to work with them through therapy and parenting classes.

Hearing everything yesterday was intense, yet when I am with the parents I see an united front. Donovan and Megan are capable of bringing wholeness to their family and to be good parents to their children.

I would like it put into the record that as their family and couples therapist, I believe this family is ready to be together in the same home.

Respectfully submitted,

Jennifer Hubbert, MFT

Hello,

Jennifer Hubbert has agreed to supervise calls between the parents and girls at 8 pm 2x's a week. Della has requested the calls are not on the weekends. I am suggesting the calls occur on Monday's and Wednesday's if that works for Megan and Donovan.

Thank you,
