We hope this message finds you well. As we prepare for the reunification process scheduled for today, we would appreciate your assistance with a couple of matters.

1. ****Upcoming Appointments****: Could you please provide us with a detailed schedule of any upcoming appointments, medical or otherwise, that my daughters have? This information will help ensure we do not miss any important dates and can plan accordingly.

2. ****Reunification Details****: we would like to confirm the time for the reunification meeting today, along with any specific instructions or documents we need to have. If there are any other pertinent details we should be aware of, please let us know.

Thank you for your assistance. We look forward to your prompt response.

Hi Megan and Donovan -

Lacey is another staff in my unit and will be coming to see the girls this week in your home, as Jennie is out sick. Please connect with her at your earliest convenience and let her know a time on either Wednesday or Thursday she can come out!

Lacey also has your phone number - whichever mode of communicating works.

Thanks all,

Kasey
