So slight issue with getting kids home. We thought a runner would be picking them up on Saturday. Come 130 and no runner has arrived and not positive if we should have been Ubering the return ride or not we Ubered the kids we left about 135 and dropped off at 2. We parked at the office and watched the girls go in then left. No issues with the drop off, but we did see one of Washoe County's runner cars pass us. That could have been headed to our house to pick up the girls. If this is true I wanted to apologize for not being there we were in the Uber headed to Dallas. Could we clarify will we be taking kids back on Sat or should we wait. We don't mind either way.
