Hi Folks!

I met with the girls today. They sure seem happy. All great reports.

Go ahead and drop the Circle of Security. I apologize I did not know the focus was on kids so young.

Donovan, I'll be reaching out to your clinical team for an update tomorrow. Please continue to drug test and follow treatment recommendations.

Megan, please continue to follow individual therapist recommendations.

Family therapy with Tiffiny Herrick once every other week should continue.

Eva's will have a check in with her therapist in a month.

Alexis' therapy can be terminated.

Elizabeth will only be checking-in every other week.

I look forward to meeting with you on Friday at 1. Below is the link.
