8. Your view on the needs of the child:

- honesty, respect, discipline, stability
therapy

9. Your thoughts on how these needs can be addressed:

Stop the drama/lies

Stop making promises about getting home if its months away
let these girls relax and learn.

10. Your thoughts on child's case plan goals:

We have No Clue Any plans.

11. Other child/case specific information you wish the Court to consider:

We have told the girls No more talk about their parents. We are tired of hearing "mom said - DAD SAID, MOM DID DAD DID". We do not care one ounce what the parents do. We want their LIES, deceit, manipulation even their names out of our home. All they do is cause stress, hurt anger and regret. The girls deserve A life without all this. So do we?
