3. This motion is made for the following reasons:

I would like to ask the judge to keep the TPO in place, as I am not incarcerated, I am home with my two kids. They were never placed in the state custody, they remained in my custody. There has been a recent escalation in dangerous and intimidating behavior by Donovan including suspected unlawful entry into my home on Dec 7, 2025 while I was in police custody. He took paperwork out of my office, he destroyed my home. I tried to make a police report but they told me that they couldn't do anything because my cameras weren't working at the time. During my time in police custody which was 13 hours, the kids never went into state custody. CPS is now involved.

I was released on the same day on my own recognizance and the charges were not related to violence, or any danger to the children.

Due to Donovan's past harassment and intimidation and court abuse, including contacting my mom pretending to be me, destroying cameras, stalking behavior; dissolving the order, would place me and my children in immediate risk the recent unlawful entry strongly suggest that he is escalating and removing the TPO would eliminate the only legal barrier in place. I ask that the court maintain all existing protection under the current TPO and ask for an expedited hearing to address current safety concerns of harassment. As told to me by applican

If more room is needed, attach additional sheets.
