**IN THE FAMILY DIVISION OF THE SECOND JUDICIAL
DISTRICT COURT OF THE STATE OF NEVADA IN AND FOR
THE COUNTY OF WASHOE**

DONOVAN CLARK,

Plaintiff,

Case No.: DV25-01799

Dept. No.: DM2

MEGAN MCCAFFERTY,

Defendant.

MOTION TO CONSOLIDATE

CASE NO. TPO26-00844 INTO DV25-01799

COMES NOW, Plaintiff, Donovan Clark, in Proper Person, and respectfully moves this Court to consolidate the recently filed Temporary Protection Order (Case No. TPO26-00844) into the instant matter (Case No. DV25-01799) pursuant to Washoe County District Court Rules promoting Judicial Economy. This Motion is based on the following:

I. STATEMENT OF FACTS & PROCEDURAL POSTURE

1. This Court (Department 2) currently holds jurisdiction over the parties' Annulment, Child Custody, and Financial Restitution proceedings, with a Final Evidentiary Trial scheduled for June 25, 2026.
2. On May 22, 2026, the Defendant initiated a separate action (Case No. TPO26-00844) in the TPO Court, alleging a verbal incident occurred on May 18, 2026. A hearing is currently scheduled for June 9, 2026, before a TPO Commissioner.
3. The Defendant's new TPO application seeks proximity restrictions and custodial interventions that directly overlap with the jurisdiction and pending trial mandates of Department 2.

II. LEGAL ARGUMENT: JUDICIAL ECONOMY & PREVENTION OF CONFLICTING ORDERS

A. Prevention of Forum Shopping and Duplicative Litigation This Court is already in possession of the Master Trial Binders (submitted pursuant to NRCP 16.205) which contain the comprehensive evidentiary substrate of this family dynamic, including the Defendant's March 19, 2026, Certified Guilty Plea for Felony Bigamy (CR25-3109), negative clinical toxicology reports regarding the Plaintiff, and WCSO forensic reports regarding the Defendant's prior filings. Allowing a TPO Commissioner to adjudicate TPO26-00844 in a vacuum—without the benefit of Department 2's extensive evidentiary record—forces the Plaintiff to litigate identical custody and character issues in two separate courtrooms within a 16-day window.

B. Malicious Prosecution Matrix (NRS 199.310) The Plaintiff asserts that TPO26-00844 is not a genuine petition for safety, but a tactical deployment designed to disrupt the June 25, 2026 Custody Trial. As documented in the Master Index (Exhibit B), the Defendant has a 10-year history of filing identical retaliatory TPOs when her financial or custodial leverage is threatened—most notably the 2016 TPO (TPO16-01555, TPO16-01795) which was dissolved by

a Court Master for "inconsistent testimony". Consolidation ensures the presiding Judge evaluates the newest allegation against the Defendant's established pattern and practice.

III. CONCLUSION To conserve the limited judicial resources of Washoe County, prevent conflicting custodial orders, and ensure the Defendant's claims are adjudicated with full historical context, the Plaintiff respectfully requests that TPO26-00844 be consolidated into DV25-01799, and the June 9, 2026 hearing be vacated and addressed by Judge Dixie Grossman.

AFFIRMATION This document does not contain the personal information of any person as defined by NRS 603A.040. I declare under penalty of perjury under the law of the State of Nevada that the foregoing is true and correct.

DATED this 24 day of May, 2026.

/s/ Donovan Clark
