Narrative

On November 20, 2025, I Deputy Adams was assigned to patrol for the Washoe Couty Sheriff's Office.

At approximately 1424 hours I was dispatched to 6550 Pyramid Way Unit # 37 for a report of a TPO violation. I arrived on scene at 1445 hours and met with the reporting party identified as [REDACTED]. [REDACTED] completed a verbal and written statement, below is a brief synopsis of [REDACTED] statement;

[REDACTED] stated [REDACTED] soon to be ex-husband Donovan Clark [REDACTED] has been actively violating a TPO, [REDACTED] had in place since October 13, 2025. [REDACTED] provided me with her TPO, which stated Donovan was the adverse party and [REDACTED] was the protected party under case number TPO25-01675. [REDACTED] stated Donovan has

Narrative

been reaching out to [REDACTED] via text message on October 19th, 23rd, and 30th. It's important to note on the TPO Box #4, Donovan is specifically ordered to only contact his [REDACTED] at the applicant's discretion as confirmed via text. However, [REDACTED] stated at no point have [REDACTED] and Donovan discussed Donovan contacting the [REDACTED] [REDACTED] also stated Donovan canceled [REDACTED] phone so [REDACTED] only contacts him through an email address.

I provided [REDACTED] with an Axon Evidence link in which [REDACTED] uploaded approximately 19 screen shots of text message conversations between Donovan and [REDACTED] and Donovan and [REDACTED]. After reviewing the screen shots only two of them had a time stamp of October 19th and the 23rd. These screen shots were a conversation between Donovan and [REDACTED].

On November 21, 2025 at approximately 1130 hours Deputy Ambrose and I met with Donovan at the Washoe County Sheriff's Office. Donovan gave a verbal statement, below is a brief synopsis of his verbal statement:

Donovan stated he wasn't served the TPO until November 20th, 2025 and admitted to texting [REDACTED] prior to November 20th. Donovan also stated he stopped paying for [REDACTED] phone and only contacts [REDACTED] through email. Donovan also provided me with screen shots of his conversations between him and [REDACTED]. In the screen shots I observed [REDACTED] to imitate on conversation with Donovan on October 19th and stated "[REDACTED] said that we could text you and that texting us wasn't a part of the TPO". I clarified with Donovan regarding this message. Donovan stated he's been in contact with [REDACTED] via email, but [REDACTED] hasn't had a conversation with him regarding [REDACTED] discretion over the [REDACTED]. I confirmed with the Washoe County Sheriff's Office Records Department and Donovan was served this TPO on 11/20/2025.

After I spoke to Donovan I called [REDACTED] regarding [REDACTED] email conversations with Donovan. [REDACTED] stated [REDACTED] hasn't specially advised Donovan on how [REDACTED] wants him to contact their [REDACTED]. I advised [REDACTED] that this has caused some confusion between both parties as [REDACTED] has failed to advise Donovan of [REDACTED] expectations regarding him contacting the [REDACTED]. Since the TPO Box #4 leaves Donovan's visitation/ commutations rights with his [REDACTED] at the discretion of [REDACTED] I advised [REDACTED] to communicate [REDACTED] expectations with Donovan in a clear manner.

There is nothing further to report at this time.
